EDUCATION

University of Southern California, Viterbi School of Engineering

Los Angeles, CA

Bachelor of Science in Electrical Engineering

August 2019–May 2023

- Minor in Legal Studies
- GPA: 3.503

WRIT 340: Advanced Writing

June 2021–August 2021

- Completed eight-week summer course at USC

College of San Mateo

San Mateo, CA

MATH 253: Calculus with Analytic Geometry III

June 2020–August 2020

- Completed eight-week summer course at CSM

WORK EXPERIENCE

zSpace

Electrical Engineering Intern

June 2019–July 2019

- Created a circuit schematic, through reverse-engineering, of device used in testing durability and longevity of different materials for passive 3D glasses
- Improved circuit schematic by adding safety features, such as an emergency stop button, and used schematic to build additional devices for testing products
- Assessed augmented reality laptops, pen interface, and 3D software applications

Marketing Intern

June 2016–July 2016

- Researched public school districts, with tax funds available to bulk purchase computers, to find target markets
- Reached target markets of education workers through social media management

LEADERSHIP & INVOLVEMENT

USC Solar Car

September 2019–December 2020

- Optimizing capacitance and power output of motors to determine highest achievable distance at maximum use
- Maximizing efficiency of energy intake by 49% through solar panel design
- Increasing solar race car's maximal achievable distance through designing and testing streamlined battery packs

Student Leadership

August 2018–May 2019

- Planned community events for spirit and raised money for charity at Fusion Academy

Varsity Soccer

December 2014 - December 2016

- Team Captain

DECA

August 2014–May 2015

- Event: Integrated Marketing Campaign – Service

AWARDS

National Merit Commended Scholar

September 2017

- Top 3.3% of 1.5 million high school students for PSAT

SKILLS

Java | JavaScript | Python | CSS | HTML | C/C++ | MySQL | PHP | MATLAB | Soldering |
Microsoft Office | Conversational Gujarati/Spanish
